Meat & Cheese Restaurant and Farm Shop opened its doors in October 2014. The restaurant is the creative effort of founder Wendy Mitchell and an amazing team of young chefs, bakers, picklers, brewers, butchers, and charcutiers. We hope to offer an approachable seasonal menu and friendly casual service. Our Farm Shop's selection of curated specialty food and housewares fills a niche in our small town. We offer Aspen's finest selection of specialty cheeses from America and the world; butchered meats from Colorado; charcuterie and fresh seafood. Our culinary team in the Farm Shop is happy to help you select the perfect ingredients to cook a fabulous meal at home, or help you choose from our prepared items if you are less adventurous in the kitchen. Meat & Cheese Restaurant is a celebration of food as prepared in home kitchens everywhere, a style we refer to as World Farmhouse. Using locally sourced and sustainably raised ingredients whenever possible as our starting point, we engage the culinary traditions of Asia, Europe and the Americas to create a menu meant for sharing that is eclectic yet recognizable for its traditional techniques. Our chefs follow the rhythm of seasons just as farm families around the world do, and like those families, they create just about everything from scratch. No part of world cuisine is off limits at Meat & Cheese. Available ingredients and their quality dictate our menu's direction from season to season.

We welcome you to Meat & Cheese and hope you feel at home.
